Proposal for an exhibition in Paris, next March

Dear Marie

no problem to stamp and distribute the sheets of paper for the show, and good luck borrowing the engravings from CNEAI; I know that they will want them handled properly as they are quite fragile.

I won't be there to participate in a workshop, however. My opening in Amsterdam is on the 11th and I will be going there to install, etc.

Good luck with the show, and if I do make it to Paris, I'll come by and see it.

Yours,

Ben

Thanks Ben for your answer.

Actually, it's a bit complicated to borrow the engravings from CNEAI & CNAP, but maybe you still have the contact of some of the people who made the conversation, cause it could be a great idea to try to find the engravings through this way.

Or do you think there's someone else who could have kept their contact?

Thanks again,

And sure, come to see the exhibition if you've got time to come in Paris.

Best,

Marie

Marie

you can try CNEAI; they may have the names. I don't. Ask Sebastien as he borrowed them before for the show at Nice.

B.

Dear Ben,

Another thing for our show at the Michel Journiac gallery in La Sorbonne : we are about to publish a brochure, and we would like to have a picture of you work for it. What kind of picture would you us to print, if there's some?

Could you send it to me in HD.

Thanks,

Best,

Marie

marie

the attached picture was taken by Sebastien Pluot. it is of the night of distribution at cneai.

please be sure to send me two copies of the brochure when completed (my address is below, at the bottom of this email). you could also simply include a picture of what you're printing and distributing.
